

# Liberty Hill Company

1050 4<sup>th</sup> Ave. STE 218  
Huntington, WV 25701-1522  
www.Libhill.com

Our full-service machine shop and production facility will manufacture parts vital to your mission. With the power of modern CNC equipment and Intelligent Parametric Software, Liberty Hill is ready to serve and deliver quality parts to all U.S. Government agencies, Prime Contractors, Sub-Contractors, and private enterprise.

We are a West Virginia small business that is Service-Disable Veteran-Owned, HUBZone certified, JCP authorized and soon to be AS9100-2016. We also partner with local Socio-Economically Disadvantaged Businesses involved in manufacturing. This alliance is a value-added benefit to our customers who are seeking quality partnerships with specific West Virginia Small Businesses.
